## **CUMAR MARBLE AND GRANITE EXPANDS CARE & MAINTENANCE DEPARTMENT**

**CUMAR Marble and Granite**, of Everett, Massachusetts, custom fabricators of natural stone, is pleased to announce the expansion of their Care & Maintenance Department, making the company not only as the go-to destination for the largest selection of natural and semi-precious stone, but also a key resource for stone aftercare.

As part of the Care & Maintenance Department, led by Stephanie O'Brien, clients are guided on proper aftercare support including, but not limited to, crack and/or chip repairs, stain removal, and annual clean and seal plans.

"It is exciting to be able to expand our Care & Maintenance division," explains Carlotta Cubi, Executive Vice President of CUMAR Marble and Granite. "It is so important that our clients know how to properly maintain their stones. Stephanie and her team are experts and will ensure for years to come our clients' stones will look just as stunning as the day it was installed."
