## CUMAR MARBLE AND GRANITE WINS TWO BEST OF NORTHSHORE HOME AWARDS

**CUMAR Marble and Granite**, of Everett, Massachusetts, custom fabricators of natural stone, is honored to be the winners of two 2016 Best of Northshore Home awards (BONS). CUMAR was named best Flooring, along with best Stone/Tile.

CUMAR specializes in the custom fabrication of natural stone, including: marble, granite, soapstone, quartzite, onyx, limestone, travertine, slate and semi-precious stone. Each year, president and owner, Ivo Cubi travels extensively throughout the world to hand select the highest quality stone products for CUMAR and their clients. Their on-site warehouse stocks the most extensive variety of materials in the area, ensuring that they will have the perfect stone to complete any project.

"We are honored to be recognized in both flooring and stone/tile for the 2016 Best of Northshore Home Awards," states Carlotta Cubi, Executive VP of CUMAR Marble and Granite. "We are humbled by all the people who went online and voted for us and are thankful to the panel of editors who nominated us."

The BONS Home Awards celebrate dozens of home categories--from home décor shop, antiques dealer, fabric house, interior designer, architect, and more. Nominees for the annual awards can include any commercial business based on the North Shore of Boston who specialize in one of the home categories. Only local businesses or locally owned, independent franchises are eligible for a nomination and award. Nominees are selected by a panel of editors and executives based on research and knowledge of the industry. Winners are announced in the Fall 2016 *Northshore Home* issue.
